

Premiere Pro CC Study Guides

Study Guide Overview:

We have designed a variety of tools for students to prepare for the ACA exam. This document is designed to pool all of these tools together in one location so you can share them easily with your students.

Kahoot Study Games:

My students love playing Kahoot. It is a fun and interactive way for your whole class to study for the exam. It also provides you with valuable feedback on the areas that your students are struggling. Be aware! Once you start using Kahoot you will become addicted.

Quizlet Study Guides:

My students use Quizlet to study for many of their classes so they asked me to build these study guides for them. Quizlet is a great way for your students to study independently, with a partner or in small groups.
